

RABIES CLINIC

The Veterinary Association of the North Shore, a non-profit organization, is holding a rabies vaccination clinic in Peabody, Wednesday May 6th, 4:00-6:00 PM, at the Central fire Station on 41 Lowell St (across from city hall). This vaccination clinic is open to the general public. The cost is \$10.00 per pet, dogs and cats only, with proceeds going towards veterinary student scholarships. Please have dogs on leashes and cats in carriers. Bring proof of all previous valid rabies certificates to receive a three year rabies vaccine: otherwise a one year rabies vaccination will be given. All dogs and cats are required by law to have a current rabies vaccination, so vaccinate before it's too late.
