Re: **International Festival Food Safety**

The Peabody Board of Health is offering **FREE Food Safety Training** sessions for International Festival vendors' food handlers. Training will consist of 90 minute sessions with discussion of ***Foodborne Illness and Prevention, Good Hygiene Practices, and Equipment Cleaning and Sanitizing***. The trainings are open to the public and will be offered on the following dates:

Thursday, August 4
Thursday, August 11
Thursday, August 18

ALL SESSIONS BEGIN AT 1 P.M.

LOCATION: Department of Public Services, Conference Room, 50 Farm Ave., Peabody, MA

This year, and going forward, evidence of food safety training is required for groups who will be serving food that requires Time and Temperature Control for Safety (TCS Food). This is a great opportunity to improve your Food Safety Program at no cost to you. We hope that you will take this opportunity to train or re-train your staff in food safety basics.

Please be aware that there are a limited number of seats for each segment and pre-registration is required.

Please call The Peabody Health Department at 978-538-5926 to pre-register.
