

Mayor Edward A. Bettencourt, Jr. is very excited to announce **PEABODY PRIDE IN BLOOM**. Our goal as public servants is to make Peabody a better place to live and improve the quality of life for everyone. Community Programs such as this generate pride and enthusiasm to help make our city strong and vibrant. **PEABODY PRIDE IN BLOOM** will welcome residents and businesses alike to the spring season with the announcement of the Adopt-An-Island Program, the Downtown Hanging Basket Program, and introducing the “Business Window Box Competition”. These programs support the Mayor’s ongoing efforts to showcase the delight and enjoyment residents and businesses have in working together to beautify our City.

This year we are happy to announce that applications for each of the three programs will be available to residents and businesses online at www.peabody-ma.gov. All information, guidelines and the cost for each program will be available on April 20, 2015 and the deadline for filing applications will be Friday, May 15, 2015. Applications will also be available through the Mayor’s Office at City Hall or at the Grater Peabody Chamber of Commerce Office on Main Street.

Spring is finally in the air and we are eagerly anticipating the warmth and beauty that **PEABODY PRIDE IN BLOOM** will bring to our streets and neighborhoods.
