Senior Appreciation Concert to be Held at New Higgins

Mayor Edward A. Bettencourt, Jr. is pleased to announce that the first annual Senior Appreciation Concert will be held at the new Higgins Middle School on Saturday, October 21, 2017. The free event kicks off at 10:00am with tours of the new school followed by the concert at 11am. A light lunch will follow the entertainment.

“Although a great number of students and parents have been inside the new Higgins since it opened last Fall, many other residents have yet to see it,” said Mayor Bettencourt. “We held a new Higgins open house for all residents last Fall but we recognize not everyone was able to attend. The Senior Appreciation concert gives older residents another opportunity to see the new Higgins for themselves. Since we are all stakeholders in public education, we should all share in the pride and excitement of our new middle school.”

Concert goers will be treated to a wonderful selection of music performed by members of the Peabody Veterans Memorial High School performing arts program under the direction of Mr. Jon Simmons. There will also be a special guest appearance by the Heightsmen, Boston College's only all-male a cappella group.

The new Higgins Middle School is located at 85 Perkins Street in Peabody. There is ample parking in the school parking lot and the building is fully accessible to those with disabilities and limited mobility.
