1. The Applicant shall prepare and file yearly by March 1<sup>st</sup> an Annual Report with the City Council, with copies to the City Solicitor, Building Inspector, Fire Department, Conservation Commission, Board of Health, and Planning Board, and shall be certified as accurate by an official of the Applicant. The Annual Report shall contain details and summaries of the monitoring, analysis, and recommendations, as required in the conditions of this Special Permit outlined in the sections above, as well as the following:
  - a. A topographic survey plan of the Property prepared by a Registered Land Surveyor including the current elevations at the various points of depth in the quarry, and an updated Landscape Plan showing the plantings and berms existing on the Property.
  - b. A proposed plan for the upcoming season which will project the area of the Property reasonably anticipated by the Applicant to be subject to blasting, drilling, and excavation for the upcoming season.
  - c. A detailed description of any unresolved complaints made by the Neighborhood during the previous year and the Applicant's planned response to such complaints.
  - d. All Air Quality Tests, Water Quality Tests, and Noise Studies required to be annually performed by the terms of this Special Permit.
  - e. The proposed correspondence to be issued to the drivers and operators of all trucks that are expected to enter the Property for the upcoming season.
  - f. The names and telephone numbers of the Applicant's designated individuals responsible for compliance with various aspects of the Special Permit.

The City Council shall have the opportunity to review each Annual Report and make comments and recommended changes. The Annual Report shall not be finalized until that review period has closed and the City Council has approved the Annual Report. Such review period shall be sixty (60) days from the date of receipt by the Clerk of the City Council. The City Council shall have the right to request an extension of the review period upon the consent of the Applicant, such consent to not be unreasonably withheld.

The Applicant shall be available for a public discussion of the Annual Report at the request of any local Board or Committee.

The initial report shall be submitted to the City Council within six months of this decision and on an annual basis thereafter, as specified above.
