COMMITTEE OF THE WHOLE

APRIL 9, 2015

P225-15 COUNCILLOR SINEWITZ – Reporting for the Committee of the Whole - Earlier tonight we met for the 2014 Aggregate Industries Annual Report. In attendance was Councillor Gould, Councillor Saslaw -- Councillor Moutsoulas came in after -- Councillor McGinn, Councillor Osborne, and Councillor Driscoll. We did approve their Annual Report for 2014, not without issues of blasting and we're dealing with those. At some point over the next month we're going to have them back here for Special Permit violations. Because those happened in 2015 I didn't address it tonight. So we're on top of it. We're trying to hold them accountable for their actions. And hopefully we'll have a quiet blasting season this year. (Report received)

P226-15 COUNCILLOR SINEWITZ – MOVE TO approve the 2014 Aggregate Industrial Annual Report. (Carried 10-0; Councillor Manning-Martin absent)

AD HOC COMMITTEE ON CRYSTAL LAKE

APRIL 2, 2015

P227-15 COUNCILLOR SINEWITZ – Reporting for the Ad Hoc Committee on Crystal Lake – Last week on April 2nd we had the first meeting of the Crystal Lake subcommittee and I was happy. I thought it went great. It was positive. In attendance were Councillor Saslaw, Councillor Gould, Councillor Walsh, Councillor Gravel, and Councillor McGinn. It was well attended. We had a presentation by Dave Murphy and Dan Buttrick of Tighe & Bond. They did a nice presentation showing the whole process. I don't really want to go over the whole thing tonight or we'll be here for another half hour. But it was a good showing by the residents. I got a bunch of phone calls afterwards. I think it was televised. So we're really getting the word out of what the plan is going to be. There's a meeting tomorrow at the DEP that I'm going to be going to with the Mayor, Bob Langley and Patti Schaffer and that's a very important meeting, in terms of what negotiations we get with the DEP on this project and with the removal of the sediment and where it's going to go and where we can put it and where we can't. So that's an important meeting. We're crossing our fingers that everything goes smoothly and hopefully by the winter we're going to start dredging. We are going to have more meetings over the summer and if anybody wants to get involved, I'd appreciate all the input. I thank all the councillors for attending. (Report received)
